Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner Moss and Attorney Dengler discussed amending independent claim 36 to address why the sample liquid does not travel from the sample tip into the cavity of the sample collector without the aid of overpressure. An amendment to the claim was agreed upon. Claims 44 and 47 were considered for amendment but it was decided that they did not need to be amended. Claims 1 and 3 have been cancelled.
